

Bicycle Safety Handout

Always wear a HELMET!

Remember to look in all directions before crossing all streets

Bicycles are vehicles too

Bicycle riders are drivers, too

Always obey all traffic lights and signs

Only one person on a bike unless there are seats for two

Never hitch a ride by holding on to a car or truck

Ride on the right side of the road

When in a group, always ride in single file

Always keep both hands on the handlebars

Walk your bike across busy intersections

Never ride out from behind parked cars

Never ride at night

Always take care of your bike

Make sure the brakes on your bike work, before riding
